

The Downs Primary School and Nursery Parent Feedback

It's hard for us as a parent but we always can ask our teachers for help

A tremendous thank you for all the hard work The Downs staff are doing online and on site. As a parent, I am eternally grateful.

Thank you to all the school staff who are working so hard at the moment. Your hard work is really appreciated.

Thank you for the teachers' hard work and effort!

The positive thing this time around is the communication with the class teacher and classmates is much better through Microsoft Teams.

Thank you for all of the hard work the school is doing.

God gave all teachers a big heart and patience. God bless you all

Very pleased with how promptly the teacher communicates. The work is set very well and it's easy to use from Microsoft Teams.

Thank you for all the support you have given with the home learning.

The school is doing great. All the best .

Teachers trying their best to make things as fun as they can whilst the children are off.

Very grateful for everything the school are doing to keep our boy's little brain challenged, it's tough as we, his parents work, full time. We are doing our best during this time, looking forward to getting back to school when it's safe to do so.

Thank you very much for the support school gives to us during this time. You are the best!

My kid's teachers are very helpful and understanding that we can't get all the work done. I would like to thank the teachers and staff for being positive and helpful everyday.

The work has been a good amount. I'm thankful there has been little work that involves making or needing extra supplies! I appreciate all the hard work from the Downs team.

Thank you for the work you're putting in to keep the children's education going. I feel you have dealt with this whole situation brilliantly.

I also highly appreciate the hard work of their teachers and school staff.
