

World Book Day at The Downs!

Aside from inviting you to dress up as a book character, here are some other ways we would like to celebrate books and the joy of reading:

1) **Read aloud to someone!** Share a book with someone you live with or have someone record you reading aloud an excerpt of a book you enjoy.

2) **Create a book review, poster or video** talking about your favourite book, why you love it and why others should read it.

3) **Rock painting or decorating!** Decorate a rock/stone with a book character, the title and author or a quote from a well-known or favourite book. We then ask you bring you painted stone back to school when we return so we can use them to decorate or line a path on the school grounds!

4) **The Masked Reader!**

Can you guess which Downs' staff member is behind the mask reading or talking about their favourite book?

5) **Family Book Quiz!**

We will also send a family book quiz out on World Book Day for you to test your knowledge and enjoy!
