2. Log onto maths.co.uk and complete set assignments

3. Problem solving with addition and subtraction

<https://classroom.thenational.academy/units/problem-solving-with-integer-addition-and-subtraction-2a10>

Science - Space <https://classroom.thenational.academy/units/space-5857>

Geography – North America study <https://classroom.thenational.academy/units/building-locational-knowledge-north-america-faad>

Art and Design - One Point perspective [How To Draw Using 1-Point Perspective - YouTube](#)

Year 6

English – 1. Log onto Spag.com and complete set assignments

2. Read your school book

2. Pandas - Non-chronological Report

<https://classroom.thenational.academy/units/pandas-non-chronological-report-b43a>

Maths - 1. TT Rockstars

2. Log onto maths.co.uk and complete set assignments

3. Revision of Integers and decimals <https://classroom.thenational.academy/units/integers-decimals-fc14>

Science – Revision of Light <https://classroom.thenational.academy/units/light-6f3a>

Geography - Linked to South America <https://classroom.thenational.academy/units/building-locational-knowledge-south-america-f4d0>

Art and Design – One Point Perspective [How To Draw Using 1-Point Perspective - YouTube](#)

Nursery

 <p>Play a game (snap, bingo, board game). Whose turn is it?</p>	<p>Watch Cosmic Kids yoga online and join in with a session or two!</p> 	<p>Share books at home. Can you tell the story by looking at the pictures?</p> 	 <p>Make handprints or draw around everyone's hands. Cut them out and look to see who has the biggest hand and who has the smallest?</p>	<p>Bake or cook something by using instructions from a recipe book or online. Talk about what is needed; equipment, ingredients and what to do - instructions.</p> 	 <p>Can you find objects from around your home that are each colour of the rainbow? Put them together for a photo!</p>
<p>Can you get yourself dressed, undressed and ready for bed every day?</p> 	 <p>Practise your cutting skills by using a knife to cut up play dough.</p>	<p>Sit quietly at home and listen carefully. What can you hear?</p> 	 <p>Gather some of your cuddly toys for a tea party. Make sure each one has a cup and plate.</p>	<p>Use a camera or mobile phone to take some photos of things that are important to you.</p> 	 <p>Make something from a cardboard box or boxes! Where will your imagination take you?</p>
 <p>Make a fruit salad using your favourite fruits.</p>	<p>Fill the bath/sink with water. Find some items around the house. Will they float or will they sink?</p> 	 <p>Make different animal noises with your voice. Can your grown-up guess what animal you are trying to be?</p>	<p>Look out of the window or stand out in the garden. What is the weather like today?</p> 	 <p>Have a look at some photos of when you were a baby. What has happened to your hair, your teeth? What can you do now that you couldn't do before?</p>	<p>Make a den using bed sheets or blankets and cushions!</p>
